

# The 10% Rule Worksheet

[www.craigdacy.com](http://www.craigdacy.com)

The idea behind the 10% rule is to cut as many areas as possible by 10%. Then, take that saved money and put it toward your financial goal (debt, emergency fund, retirement, etc.). Use this guide to help you find ways you can cut 10% out of your budget!

	Previous Amount	New Amount	10% saved
Restaurants	_____	_____	_____
Entertainment	_____	_____	_____
Fun Money	_____	_____	_____
Clothing	_____	_____	_____
Music/Technology	_____	_____	_____
Cosmetics	_____	_____	_____
Groceries	_____	_____	_____
Other: _____	_____	_____	_____
Other: _____	_____	_____	_____
